

LAKE TAPPS ELEMENTARY

The following are safety tips for driving through the school drop off and pick up zones and crosswalk areas.

PLEASE:

- Drive slowly and cautiously at all times, watching for pedestrians.
- Only let your child exit your vehicle on the driver's side.
- Observe directional arrows.
- Park only in the lot, never in the lanes.
- Observe crosswalk and all other signage.
- Use the bus when possible.
- Car pool with others to reduce congestion.
- Use only the designated pick-up and drop-off zones.
- Pull up to the flag just before the crosswalk.
- Stay in your vehicle.
- Refrain from using your cellphone.
- Be patient and cooperate with school staff.

Procedure:

- When entering the campus turn left and proceed to the far end of the parking lot, away from the school building.
- Follow the exterior lane around past the shop building and then the field and play area.
- Drive along the curb.
- Stay in line until you reach the front of the building.
- Either drop off or pick up your child.
- Continue past the front of the building to the stop sign.
- Continue through the intersection to leave campus.
