Dear Parents/Guardians,

Happy Thursday! Lake Tapps Elementary School will be hosting a Family STEAM (Science, Technology, Engineering, Art, Math) Night on Wednesday, March 25 from 6:00-7:30 pm. In addition to hands on activities for families, we plan to highlight careers in the STEAM fields. Parents and community members who work in any combination of these areas are invited to participate in the event, and share their knowledge and experiences with our students and families. Cafeteria tables will be set up for informal small group sharing and displays—it will be a "Show and Tell About Your Career" format for the evening. Please email Tammy Zulauf, tzulauf@dieringer.wednet.edu by March 18th if you have any questions or are interested in sharing your career. Please mark your calendars for March 25, from 6:00-7:30pm for our first annual Family STEAM Night. I hope to have a packed house for the first ever event.

Attached to this newsletter is a flier about the South King County Elementary Chess Tournament for Kindergarten through 5th grade students. It will be held on Saturday, May 30, and is free to register. If your child plays chess and would like to participate, check out the flier attached to the newsletter.
