A Note from the Principal

Dear Parents/Guardians,

Happy Thursday! First, I'd like to thank all the parents/guardians who were able to meet with our teachers on October 24 for parent/teacher conferences. This is an important time built into the district calendar to allow parents and teachers to celebrate the accomplishments and growth of our students, and to discuss areas that are in need of further growth. This community never surprises me with the amount of support and dedication you have for your children and our schools. It truly is what makes Dieringer School District special.

The annual Veterans Day Assembly will take place on Friday, November 8, at 10:30am in our gym. This is a very special assembly in which we honor and celebrate our veterans, reserve personnel and active duty men and women of our armed forces. It's imperative to teach our students the important role our military plays in America, and how we can show our support to the men and women who serve our country. If you know someone who is a veteran, or active duty, or reserve, please have them join us on Friday, November 8, at 10:30am for the celebration assembly. Please arrive early, as parking is limited, and we will begin at 10:30am sharp.

Lake Tapps—What a great place to grow!

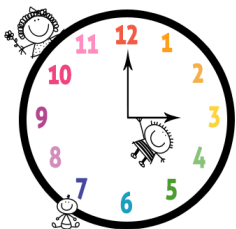

Sincerely,
Pat Webster
Head Learner
