A Note from the Principal

Dear Parents/Guardians,

Happy Thursday! We had a wonderful turn out for last week’s 3rd Grade Parent Information Night. This is a time for teachers to meet with parents to discuss their program, expectations, classroom procedures and processes, the curriculum, etc. It’s not a time focused on the students, so if possible, they should stay home. If you do need to bring your child, they are welcome to join us. We will have child supervision for the first 30-40 minutes of the evening, then will send the kids to their classrooms to join their parents. We typically supervise them playing on the playground. The remaining Parent Information Night is:

Sept. 26—1st Grade Parent Information Night
(WITH MRS. CROMWELL)--6:30-7:30

We held a fire drill on September 10. The students were told ahead of time what they were expected to do for the drill, and in case of a real crisis, that would require an evacuation. When the fire alarm rings, our custodian, counselor and I “sweep” the building to ensure that everyone is out of the building. All staff, students and volunteers move to the grass field and assemble by class. There, teachers take role call and verify that everyone is accounted for. We accomplish this process in just a couple minutes. The students were amazing during the drill on the 10th. They were quiet and walked out of the building orderly and followed their teacher’s directions. We have other drills planned over the next couple weeks.

Lake Tapps Elementary. What a great place to grow!

Sincerely,
Pat Webster
Head Learner

Emergency Notice System

We would like to announce that parents, students and community members can register up to three e-mail addresses in a single account and receive information at the same time as the news media when emergency notices are given (ie. Notice of school closure/delay). As a subscriber you can also view all local emergency items and news releases on FlashAlert.net Check it out!
