A Note from the Principal

Dear Parents/Guardians,

Happy Thursday! Attached to this email is a flyer about the upcoming Educational Programs and Operations Levy Renewal ballot issue. This is not a new tax. It is a continuation of an existing tax, to help fund day to day operations not covered by the state to ensure student success. Remember to get out there and vote on February 11.

Our students have an opportunity to send something into space and receive it back. Blue Origin, a space exploration organization, is planning a rocket launch into space in February. One of their employees is a parent at Dieringer Heights Elementary. They have a program in which they supply a postcard to students and send the postcards into space during one of their launches. When they return, they send the postcards back to the schools for the students to take home. The entire student body in the entire school district will receive a postcard to write/color on, and send into space. It's a really neat program, and I'm excited that all of our students will have the opportunity to participate. When they return, we may have an opportunity to have the DHES parent give a space presentation to our students as well. What a great activity for our kids!

Lake Tapps—What a great place to grow!

Sincerely,

Pat Webster

27 Board Meeting @6pm

28 Session #2 Clubs

29 PTA Skate Pajama Night 6-8 at Auburn Skate

30 Music Performance 6pm for the following classes
(Brand, Miller, Reese, Klein & Crivello)
