A Note from the Principal

Dear Parents/Guardians,

Happy Thursday! The annual Veterans Day Assembly was again, a huge success. We had approximately 85 veterans, active duty and/or reserve personnel join us for the celebration. We had three middle school students present their Veterans Day speeches for the audience, and they were amazingly heartfelt speeches. Our student body sang patriotic songs as well. Every branch of the military was represented by at least one of our guests, and one veteran served in the Coast Guard during WWII. She said this year will be her last year to attend the assembly because she and her family are moving out of the area. The honored guests reported to me that they sincerely appreciate the assembly and the fact that our students are so polite and well behaved. A special thank you goes out to all of our guests who were able to join us, and to their family members who also joined us.

A reminder about drop off and pick up safety. As you pull into the parking lot, please turn left into the parking lot, and go around the exterior of the parking lot to drop off and/or pick up your child(ren). Please stay in the car line to drop off/pick up your child(ren). DO NOT drive around the other vehicles waiting in line, in order to pick up/drop off your child—wait in line. Also, DO NOT drop off or pick up your child at the cross walk. The system in place (waiting in the vehicle line) to drop off/pick up students is in the best interest of safety for all. Taking an extra minute or two in the parking lot may save a lifetime of regret and sorrow.

Google Translate Services are no longer available in Family Access. Instead, guardians and students can use the built-in, or add-on, translation features for their preferred browser to translate Family Access into other languages.
