A Note from the Principal

Dear Parents/Guardians,

Happy Thursday! We held our annual Fire Safety Assembly yesterday. The fire department comes to us every year to help teach students about the dangers of fire, and how to be safe around fire. They do an amazing job of teaching and entertaining at the same time. We greatly appreciate our first responders for everything they do for our community.

We also held a fire drill yesterday afternoon, and the students performed amazingly well. They’ve practiced the fire drill before, so they knew exactly what to do, and the teachers lead them out of the building quickly and orderly. Our students are in good hands if a crisis occurs.

Next Wednesday, November 27, school gets out at 11:45am for the Thanksgiving Break. On behalf of the entire staff of Lake Tapps Elementary, we hope you enjoy your Thanksgiving, and get to spend quality time with your friends and family.

School resumes on Monday, December 2, at 8:45.

Lake Tapps—What a great place to grow!

Sincerely,

Pat Webster
